## Explanatory Notes:

1. Mr Peter Ong Boon Kwee has given notice to the Company that he wishes to step down as a Director of the Company at the conclusion of the 26th Annual General Meeting.
2. **Resolutions 3 to 6** – Mr Bobby Chin Yoke Choong will, upon re-election, continue to serve as the Chairman of the Audit Committee and a member of the Risk Committee. Mr Venkataraman Vishnampet Ganesan will, upon re-election, continue to serve as a member of the Finance and Investment Committee. Ms Teo Swee Lian will, upon re-election, continue to serve as the Chairman of the Risk Committee and a member of the Corporate Governance and Nominations Committee and the Executive Resource and Compensation Committee. Mr Gautam Banerjee will, upon re-election, continue to serve as a member of the Audit Committee and the Risk Committee. Mr Chin, Mr Ganesan, Ms Teo and Mr Banerjee are considered non-executive independent Directors. Detailed information on these Directors can be found under 'Board of Directors' and 'Corporate Governance' in the Company's Annual Report 2018. Save as disclosed in those sections, there are no relationships including immediate family relationships between each of these Directors and the other Directors, the Company or its 10% shareholders.
3. **Resolution 7** is to facilitate payment of Directors' fees of up to S\$2,950,000 for the financial year ending 31 March 2019. It is proposed that the remuneration framework for the non-executive Directors (including the Chairman) remains unchanged from the framework for the financial year ended 31 March 2018. Accordingly, it is proposed that the Chairman will receive an all-inclusive fee of S\$960,000 (save for car-related benefits), to be paid approximately two-thirds in cash and approximately one-third in Singtel shares to be delivered in the form of a share award to be granted under the Singtel Performance Share Plan 2012 ("Singtel PSP 2012"). The actual number of shares to be awarded will be determined by reference to the volume-weighted average price of a share on the Singapore Exchange Securities Trading Limited over the 10 trading days immediately following the date of the 26th Annual General Meeting, rounded down to the nearest share. The award will consist of fully paid shares, with no performance conditions attached and no vesting periods imposed, but it is currently intended that there will be a moratorium on the sale of such shares for a period of up to two years after the grant of the award. There will be no separate retainer fees, committee fees, attendance fees or travel allowance to be paid to the Chairman.

In arriving at the proposed Chairman's fees of S\$960,000, the Company took into account:

- (a) the significant leadership role played by the Chairman on the Board, and in providing clear oversight and guidance to management;
- (b) the amount of time the Chairman spends on Singtel matters, including providing input and guidance on strategy and supporting management in engaging with a wide range of other stakeholders such as partners, governments and regulators, as well as travelling to visit the Group's key associates in the region. In this regard, the Board has agreed with the Chairman that he will commit a significant proportion of his time to his role as Chairman of the Singtel Board and will manage his other time commitments accordingly; and
- (c) comparable benchmarks from other large listed companies in Singapore that have chairmen with similar roles and responsibilities, as well as benchmarks from large listed companies in Australia, where Singtel has sizeable operations.

Additional information on the role of the Chairman can be found under 'Corporate Governance' in the Company's Annual Report 2018.

The Directors' fees for the other non-executive Directors are calculated based on, among other things, the number of expected Board and committee meetings for the financial year ending 31 March 2019 and the number of Directors expected to hold office during the course of that year.

The aggregate fees paid to the non-executive Directors for the financial year ended 31 March 2018 was S\$2,309,334. Additional information on the Directors' fees can be found under 'Corporate Governance' in the Company's Annual Report 2018.

Shareholders' approval is required for the Directors' fees pursuant to the Companies Act, Chapter 50 of Singapore and the Constitution of the Company.

4. **Resolution 8** is to approve the appointment of KPMG LLP as the Auditors of the Company in place of the retiring Auditor, Deloitte & Touche LLP, and to authorise the Directors to fix their remuneration. Please refer to the Company's Letter to Shareholders dated 22 June 2018 (the "Letter"), which is available at [www.singtel.com/about-us/investor-relations/annual-reports](http://www.singtel.com/about-us/investor-relations/annual-reports), for more details.

5. **Resolution 9** is to empower the Directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding in total 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings), with a sub-limit of 5% for issues other than on a *pro rata* basis to shareholders. The 5% sub-limit for *non-pro rata* issues is lower than the 20% sub-limit allowed under the Listing Manual of the SGX-ST. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) at the time that Resolution 9 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Resolution 9 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares. As at 30 April 2018 (the "Latest Practicable Date"), the Company had 284,913 treasury shares and no subsidiary holdings.
6. **Resolution 10** is to empower the Directors to offer and grant awards pursuant to the Singtel PSP 2012 and to issue ordinary shares of the Company pursuant to the vesting of awards granted pursuant to the Singtel PSP 2012 provided that: (a) the aggregate number of new ordinary shares which may be issued under the Singtel PSP 2012 does not exceed 5% of the total number of issued ordinary shares (excluding treasury shares and subsidiary holdings) from time to time and (b) the aggregate number of new ordinary shares under awards which may be granted pursuant to the Singtel PSP 2012 from this Annual General Meeting to the next Annual General Meeting shall not exceed 0.5% of the total number of issued ordinary shares (excluding treasury shares and subsidiary holdings) from time to time.

As at the Latest Practicable Date, awards in respect of 37,023,837 ordinary shares remain outstanding under the Singtel PSP 2012.

7. **Resolution 11** is to renew the mandate to allow the Company to purchase or otherwise acquire its issued ordinary shares, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use internal and external sources of funds to finance its purchase or acquisition of shares. The amount of financing required for the Company to purchase or acquire its shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of shares purchased or acquired, whether the purchase or acquisition is made out of profits or capital, the price at which such shares were purchased or acquired and whether the shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued shares of the Company as at the Latest Practicable Date and disregarding the 284,913 shares held in treasury as at that date, and assuming that on or prior to the 26th Annual General Meeting (a) no further shares are issued, (b) no further shares are purchased or acquired by the Company, or held as treasury shares, and (c) no shares are held as subsidiary holdings, the purchase by the Company of 5% of its issued shares will result in the purchase or acquisition of 816,443,669 shares. In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires the 816,443,669 shares at the Maximum Price of S\$3.6078 for one share (being the price equivalent to 5% above the average of the last dealt prices of the shares for the five consecutive market days on which the shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 816,443,669 shares is S\$2,945,565,469.02.

The financial effects of the purchase or acquisition of such shares by the Company pursuant to the proposed share purchase mandate on the audited financial statements of the Group and the Company for the financial year ended 31 March 2018 based on these assumptions are set out in paragraph 3.7 of the Letter.

Please refer to the Letter for more details.
