No, your mobile lines will not be eligible for Singtel Circle.

Free Sunday Local Data Benefit

I have nominated my mobile line successfully. When will I start to enjoy free data on Sundays?

Free data will be available to you on the Sunday of the following week.

How can I ensure that my local data usage is waived every Sunday?

Eligible customers can have their local data usage waived every Sunday from 00:00hrs and ends at 23:59hrs (Singapore Time). We recommend that you switch off and on (restart) your device in order to restart a new local

data usage session to enjoy this benefit. This will ensure that your phone is not running any continuous background data session.

You will need to access local mobile data (3G/4G) through e-ideas/ Internet/ BlackBerry APNs. These would be the default APNs on your device if you have not changed your settings before.

How do I check my APN settings? What should my APN settings be?

Default settings for Singtel Postpaid smartphone customers:

APN username: e-ideas

Username: 65ideas

Password: 65ideas

Default settings for Singtel Mobile Broadband customers (dongles/tablets):

APN username: internet

Username: 65ideas

Password: 65ideas

On iOS devices, go to Settings > Cellular > Cellular Data Network > APN

On Android devices, go to Settings > Networks > Mobile Networks > Access Points Names

Will I be able to view my mobile data usage on Sundays?

As your local data usage is waived on Sundays, you will not see any consumed usage during that period on My Singtel app and on your monthly bill.

Will my surfing speed be throttled as a result of excess usage on Sunday?

Your data usage on Sunday will be throttled as determined by our Fair Usage Policy.

I stopped using data at 11:50pm on Sunday, why am I still charged for excess local data usage?

We recommend that you switch off and on (restart) your device after 12am on Sunday to ensure that your phone is not running any continuous background data session.

My mobile line is already nominated. Will the MobileShare linked to my mobile line be able to enjoy free data every Sunday?

Yes.
