

Effective Date: 16 August 2019

Name of Service: Singtel Meg@POP service. *For details, refer to www.singtel.com.*

Description: Cessation of Meg@POP EthernetLink Virtual Private Link (EVPL) Wholesale Scheme (**Service**)

Singtel will cease offering new circuits under the Service with effect from 16 August 2019.

Singtel will continue to honour existing Service subscriptions until such time that the Service is migrated or terminated.

Existing customers may also choose to perform a change of service such as a bandwidth upgrade/downgrade or renewal under the Meg@POP EVPL retail scheme.
