Terms and Conditions:

1. The contract term of the Customised Scheme is three (3) years with an option to renew the contract annually up to a maximum total contract term of five (5) years.
2. **(with effect from 1 February 2019)** The contract terms of the services subscribed under the Customised Scheme are one (1) and two (2) years.
3. The services offered under the Customised Scheme are subject to resource availability.
4. The customer is not allowed to resell the services subscribed under the Customised Scheme.
5. One end of the services subscribed under the Customised Scheme must be connected to the customer's premises and the other end must be connected to either the customer's premises or to a Data Centre.
6. No other discounts including, but not limited to, term and volume discounts, shall be applicable to the services subscribed under the Customised Scheme.
7. **(with effect from 10 September 2019)** Circuits subscribed under the Customised Scheme will continue at customised prices after the expiry of the circuit contract term.
8. All other standard prices, terms and conditions of the Singtel Gigawave service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates a circuit subscribed under the Customised Scheme prior to the expiry of the circuit contract term, the customer shall be liable for the prevailing premature termination charge (**PTC**).

Eligibility:

The Customised Scheme is offered to all IHLs listed on the Ministry of Education webpage on Post-Secondary Education.
