The customised tariffs will be applicable to all new, renewed and upgraded circuits under the Customised Scheme.

The customer must subscribe to a minimum of six (6) Gigawave circuits under Table A in a single work order, of which a minimum of four (4) Gigawave circuits must be of 10Gbps bandwidth.

The customer may purchase additional Gigawave circuits at the customised prices in Table B once the minimum quantities under Table A have been met.

Terms and Conditions:

1. The contract term of the Customised Scheme is three (3) years, with the option to extend the contract term for an additional one (1) year.
2. The contract term of the services subscribed under the Customised Scheme is three (3) years.

3. There shall be no auto-renewal of the Customised Scheme. For any service(s) required after the contract term, the customer will have to re-negotiate with Singtel.
4. **(With effect from 15 April 2019)** Circuits subscribed under the Customised Scheme will continue at the customised prices after the expiry of the circuit contract term.
5. The services offered under the Customised Scheme are subject to resource availability.
6. The customer shall not resell the services subscribed under the Customised Scheme.
7. One end of each circuit must terminate at a Data Centre.
8. All other standard prices, terms and conditions of the Singtel Gigawave service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for a premature termination charge (PTC) of 100% of the remaining contract term.
