

Effective Date: 2 February 2015

Name of Service: Dark Fibre Service. *For additional details, refer to www.singtel.com*

Description: Customised Dark Fibre Service Scheme (**Customised Scheme**)

Prices (including discounts):

Service Description	Minimum Quantity (pairs)	Monthly Recurring Charges (“MRC”) (\$ per pair)	One Time Charge (“OTC”) (\$ per pair)
Standard / Dark Fibre with Path Diversity	3	\$9,500	\$7,500

1. The customer is required to subscribe to a minimum quantity of 3 pairs.
2. The customised tariffs will be applicable to new and renewed circuits subscribed under the Customised Package.
3. The OTC is not applicable for renewed circuits.

Terms and Conditions:

1. The contract term for the Customised Package is five (5) years.
2. (With effect from 9 December 2015) The minimum contract term for the services subscribed under the Customised Package is three (3) years.
3. There shall be no auto-renewal of any service(s) subscribed under the Customised Package.
4. No other discounts shall apply to the Customised Package.
5. In the event of relocation, the customer shall pay a relocation fee of the OTC for new links.
6. The service(s) subscribed under the Customised Package are subject to resource availability.

7. (with effect from 10 January 2020) Circuits subscribed under the Customised Scheme will continue at customised prices after the expiry of the circuit contract term.
8. All other standard prices, terms and conditions of SingTel Dark Fibre service shall be applicable.

Suspension and Termination Provisions:

1. In the event that the customer terminates a Service during the contract term, the customer shall be liable for 100% of the monthly recurring charges for the remainder of the contract term.
2. (with effect from 9 December 2015) For migrated circuits subscribed under the Customised Package requiring a parallel run to the existing circuit, the customer is eligible for a waiver of Premature Termination Charge (**PTC**), subject to the following conditions:
 - i. the minimum contract term of the parallel circuit shall be six (6) months; and
 - ii. upon completion of migration, the new migrated circuit shall fulfil the remaining term of the existing circuit.

Eligibility: (with effect from 11 March 2015)

The Customised Package will be offered to any customers who:

- a) is a content aggregator or a duly licensed Facilities Based Operator (FBO); and
- b) accepts the price, terms and conditions of the Customised Package in its entirety.

-
