The customised tariffs will be applicable to all new, renewed and upgraded Meg@POP, MetroEthernet, Gigawave, ISDN and BizVoice and Cloud Connect circuits subscribed under the Customised Scheme.

Terms and Conditions:

1. The contract term of the Customised Scheme is three (3) years.
2. The contract term of services subscribed under the Customised Scheme is three (3) years.
3. The services offered under the Customised Scheme are subject to resource availability.
4. Circuits subscribed under the Customised Scheme will continue at customised prices after the expiry of the circuit contract term.
5. The customer shall not resell the services subscribed under the Customised Scheme “as is” or as standalone products.
6. No other discounts shall be applicable to the services subscribed under the Customised Scheme.
7. Customer is eligible for a premature termination charge (**PTC**) waiver for circuits subscribed under the Customised Scheme, subject to the condition that the applicable circuit has to fulfil at least two (2) years of its circuit contract term. If the customer terminates the services subscribed under the Customised scheme before fulfilling at least two (2) years, prevailing premature termination charges shall apply.
8. In the event that the customer wishes to carry out a one-time early renewal of all of its existing services with Singtel, the customer shall be eligible for a waiver of any applicable PTC, subject to the following conditions:
 - a) all applicable services subscribed by the Customer must undergo early renewal and be migrated to and/or subscribed under the Customised Scheme; and
 - b) The customer is entitled to this waiver once (1) only.
9. The customer will be eligible for a waiver of:
 - a) standard OTC charges;
 - b) standard OTC charges for hot and parallel relocations, for up to 50% of circuits every year; and

- c) PTC for up to 40% of circuits every year, as long as premature termination arises from the customer being unable to continue occupying the premises.

10. All other standard prices, terms and conditions of the Singtel Meg@POP, MetroEthernet, Gigawave, ISDN, BizVoice and Cloud Connect services shall remain applicable.

Eligibility:

The Customised Scheme will be available to all similarly-situated customers and their subsidiaries who satisfy the following criteria:

- (a) currently has or willing to commit to minimum annual spending of \$1.75 million on Singtel services and
- (b) accept the terms and conditions of the Customised Scheme in its entirety.

For avoidance of doubt, circuits subscribed by similarly situated customers and their subsidiaries can be combined to meet the minimum annual spend. For similarly situated customers who wish to take up the Customised Scheme and similarly include its subsidiaries, it must define the list of subsidiaries.
