The customised tariffs will be applicable to all new, renewed and/or upgraded Meg@POP circuits subscribed under the Customised Scheme.

**Terms and Conditions:**

1. **(With effect from 4 January 2022)** The contract term of the Customised Scheme is three (3) years.
2. The contract term of the services subscribed under the Customised Scheme is two (2) years.
3. The customer shall not resell the services subscribed under the Customised Scheme.
4. The service(s) subscribed under the Customised Scheme are subject to resource availability.
5. Circuits subscribed under the Customised Scheme will continue at the customised prices after expiry of the circuit contract term.
6. The router bundled under the Customised Scheme is subject to stock availability. Singtel reserves the right to replace the router with another model of similar value.

The Customised Scheme includes the circuit and router only. It excludes other charges such as installation and maintenance charges for the router.

7. If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer is liable for a premature termination charge (PTC) of 100% of the remaining contract term.
8. Notwithstanding the above, in situations where the termination of service arises from the customer being unable to continue occupying the premise due to the end of the building lease, the PTC will be waived for up to 5 circuits.
9. **(With effect from 4 January 2022)** In the event of a novation, the contract term of the services novated to the new company will continue on the remaining contract term of the services prior to novation.
10. No other discounts including, but not limited to, term and volume discounts, are applicable to the services subscribed under the Customised Scheme.
11. All other standard prices, terms and conditions of the Singtel Meg@POP service shall remain applicable.

**Eligibility:**

The Customised Scheme will be offered to all similarly situated customers and their subsidiaries who satisfy the following criteria:

- a) subscribes to the minimum quantity of circuits prescribed under the Customised Scheme; and
- b) accepts the terms and conditions of the Customised Scheme in its entirety.

Circuits subscribed by the customer and its subsidiaries may be combined to meet the minimum quantities required.
