The customised tariffs will be applicable to all new, renewed and upgraded circuits subscribed under the Customised Scheme.

**Terms and Conditions:**

1. The contract term of the Customised Scheme is three (3) years.
2. **(With effect from 30 November 2022)** The minimum contract term of the service(s) subscribed under the Customised Scheme is 12, 24 and 36 months as per the pricing table above.
3. The services offered under the Customised Scheme are subject to resource availability.
4. Circuits subscribed under the Customised Scheme will continue at the customised prices after the expiry of the circuit contract term.
5. If any MetroEthernet with Path Diversity and/or Gigawave with Path Diversity circuits under the Customised Scheme cannot be provided, the customer shall be eligible to subscribe to an Exchange Diversity circuit at the same customised prices.
6. System Integrators may procure services on behalf of the customers, subject to Singtel's verification that these services are intended for these customers.
7. The customer shall not resell the service(s) subscribed under the Customised Scheme.
8. No other discounts including, but not limited to, term and volume discounts, shall be applicable to the services subscribed under the Customised Scheme.
9. All other standard prices, terms and conditions of the Singtel MetroEthernet and Gigawave service shall remain applicable.

**Suspension and Termination Provisions:**

If the customer terminates the service(s) subscribed under the Customised Scheme before the end of the contract term of the service(s), the customer shall be liable for a Premature Termination Charge (**PTC**) of 100% of the MRC for the remaining contract term.

**Eligibility:**

The Customised Scheme will be offered to all similarly situated customers who accept the terms and conditions of the Customised Scheme in its entirety.
