The customised tariffs will be applicable to all new, renewed, upgraded, downgraded and/or migrated Meg@POP circuits subscribed under the Customised Scheme.

Key Terms and Conditions:

1. The contract term for the Customised Scheme is three (3) years.
2. The contract term for the services subscribed under the Customised Scheme is as stated in the pricing tables.
3. The customer shall subscribe to the minimum quantities as stated in the pricing table above.
4. The services offered under the Customised Scheme are subject to resource availability.
5. The customer shall not resell the services subscribed under the Customised Scheme.
6. Circuits subscribed under the Customised Scheme will continue at the customised prices after the expiry of the circuit contract term.
7. No other discounts including, but not limited to, term and volume discounts, are applicable to the services subscribed under the Customised Scheme.
8. All other standard prices, terms and conditions of the Singtel Meg@POP service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the services subscribed under the Customised Scheme before the end of the contract term, the customer shall be liable for a Premature Termination Charge (PTC) of 100% of the remaining contract term.

Notwithstanding the above, the customer can terminate and/or relocate up to 15 Meg@POP circuits under the Customised Scheme per year, without any PTC or relocation charges, subject to the following conditions:

- a) termination and/or relocation arising from the completion of the project; and
- b) circuits that are being terminated and/or relocated have fulfilled at least 50% of their contract term duration.
