The customised tariffs will be applicable to all new, renewed and upgraded circuits subscribed under the Customised Scheme.

Key Terms and Conditions

1. The contract term of the Customised Scheme is 36 months.
2. The contract term of the services subscribed under the Customised Scheme will be as per the pricing table.
3. The customer shall subscribe to the minimum quantity of services as per the pricing table above within a period of 12 months from the start date of the customer's agreement. In the event that the customer fails to do so, all service(s) subscribed under this Customised Scheme shall revert to the prevailing list price.
4. The customer shall be eligible for a waiver of relocation charge for up to five (5) Meg@POP eLite circuits subscribed under the Customised Scheme.
5. The services offered under the Customised Scheme are subject to resource availability.
6. The customer shall not resell the services subscribed under the Customised Scheme.
7. No other discounts including, but not limited to, term and volume discounts, shall be applicable to the services subscribed under the Customised Scheme.
8. Services subscribed under the Customised Scheme will continue at customised prices after the expiry of the circuit contract term.
9. All other standard prices, terms and conditions of Singtel Meg@POP service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the services subscribed under the Customised Scheme before the end of the contract term, the customer will be liable for a premature termination charge (**PTC**) of 100% of the remaining contract term.

Notwithstanding the above, the customer is eligible to enjoy a PTC waiver for up to five (5) Meg@POP eLite circuits under the Customised Scheme subject to the following:

- a) the termination of service arises from the customer being unable to continue occupying the premise due to the end of the building lease or renovation; and
- b) the service(s) having fulfilled at least 18 months of their service contract term.

The customer is also eligible for a waiver of PTC for any existing Meg@POP eLite circuits under the Customised Scheme if the customer migrates any Meg@POP IPVPN eLite circuits under this Customised Scheme to Meg@POP IPVPN eLite with Exchange Diversity circuits under the Customised Scheme.
