The customised tariffs will be applicable to all new and renewed SIP Trunking services subscribed under the Customised Scheme.

**Terms and Conditions:**

1. The contract term of the Customised Scheme is one (1) year.
2. The contract term of the services subscribed under the Customised Scheme is one (1) year.
3. The customer shall subscribe to the minimum quantities as stated in the pricing table(s) above in a single order.
4. The customer may upgrade or increase the number of concurrent calls and value-added services without a change of the existing service contract term, provided that there is no change to the original quantity of SIP Trunking trunk(s). Otherwise, a new service

contract term shall be required for the new SIP Trunking trunk(s). For the avoidance of doubt, every incremental take-up of concurrent calls shall be in blocks of 50 concurrent calls at an MRC of \$450 per block with standard OTC waived.

5. In the event that the underlying SIP Trunking line is terminated, all services subscribed under the Customised Scheme that are tied to the underlying SIP Trunking line will also be terminated.
6. Circuits subscribed under the Customised Scheme will continue at the customised prices after expiry of the circuit contract term.
7. The services offered under the Customised Scheme are subject to resource availability.
8. The customer shall not resell the service 'as is' or as a full or standalone SIP Trunking product.
9. No other discounts including, but not limited to, term and volume discounts, are applicable to the services subscribed under the Customised Scheme.
10. All other standard prices, terms and conditions of the Singtel SIP Trunking service shall remain applicable.

#### **Suspension and Termination Provisions:**

If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for a premature termination charge (PTC) of 100% of the MRC for the remaining contract term.
