The customised tariffs will be applicable to all new, renewed and upgraded Meg@POP circuits subscribed under the Customised Scheme.

Key Terms and Conditions:

1. **(With effect from 7 November 2024)** The contract term of the Customised Scheme is three (3) years with an option to extend for two (2) years.
2. **(With effect from 7 November 2024)** The contract term of the services subscribed under the Customised Scheme is three (3) years unless otherwise specified, with an option to extend for a minimum of six (6) months.

3. **(With effect from 7 November 2024)** The customer shall subscribe to a minimum quantity of 200 Meg@POP eLite circuits under the Customised Scheme.
4. **(With effect from 15 December 2021)** The customer is eligible for a waiver of IP Configuration Charges for up to 20 times during the contract term of the Customised Scheme.
5. **(With effect from 15 December 2021)** The customer is eligible for a waiver of Relocation Charges for up to 10 Meg@POP IPVPN eLite circuits subscribed under the Customised Scheme.
6. The customer shall not resell the service(s) subscribed under the Customised Scheme.
7. The service(s) subscribed under the Customised Scheme are subject to resource availability.
8. Circuits subscribed under the Customised Scheme will continue at the customised prices after expiry of the circuit contract term.
9. No other discounts including, but not limited to, term and volume discounts, are applicable to the services subscribed under the Customised Scheme.
10. All other standard prices, terms and conditions of the Singtel Meg@POP service shall remain applicable.

Suspension and Termination Provisions:

Any applicable Premature Termination Charges (**PTC**) will be waived when the customer migrates existing service(s) to service(s) under the Customised Scheme.

(With effect from 7 November 2024) The customer shall be eligible for a PTC waiver of up to 20 Meg@POP eLite circuits subscribed under the Customised Scheme subject to the Meg@POP eLite circuit having fulfilled a minimum of 18 months of its circuit contract term.

Notwithstanding the above, if the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer is liable for a PTC of 100% of the remaining contract term.
