The tariffs will be applicable to all new, renewed, migrated, upgraded and downgraded Gigawave circuits subscribed under the Promotion.

Promotional Terms and Conditions:

1. The contract term of the services subscribed under the Promotion is as per the pricing tables above.
2. The Promotion is applicable to new, migrated, upgraded and/or downgraded and renewed circuits. For the avoidance of doubt, all request for cross-service migration, or renewal of contract, including but not limited to upgrade and downgrade are subject to the minimum contract term under the Promotion and the new contract value must be higher than existing remaining contract value.
3. Services subscribed under the Promotion will revert to the prevailing list price after the expiry of the circuit contract term.
4. The service(s) subscribed under the Promotion are subject to resource availability.
5. Contracts must be signed within one (1) month from the end of the promotion period if the customer obtained a quotation during the promotion period.
6. The initial request for service date for services subscribed under the Promotion must be within three (3) months from the promotion end date.
7. The Promotion does not apply to temporary schemes, installation surcharge, remote locations, additional pipe/fibre connection charges and relocation requests.

8. The customer shall not resell the service(s) offered under the Promotion “as is” or as standalone services but may resell these services as part of its own network services.
9. Prevailing relocation charges shall apply except where the relocation request is submitted in the same order as the renewed, upgraded and/or downgraded circuit in which case, the relocation charge will be waived.
10. No other promotions or discounts including, but not limited to, term, volume and discretionary discounts shall apply.
11. Singtel reserves the right to end the Promotion before 15 June 2025.
12. All other standard prices, terms and conditions of the Singtel Gigawave service shall remain applicable.
