Key Terms and Conditions:

1. The contract term of the Customised Scheme is three (3) years.
2. The contract term of the services subscribed under the Customised Scheme is three (3) years.
3. The customer shall subscribe to the minimum quantity as stated in the pricing table above in a single order.
4. Services subscribed under the Customised Scheme will continue at the customised prices after expiry of the service contract term.

As of 19 March 2024

5. The services subscribed under the Customised Scheme are subject to resource availability.
6. The customer shall not resell the services subscribed under the Customised Scheme.
7. No other discounts including, but not limited to, term and volume discounts, are applicable to the services subscribed under the Customised Scheme.
8. All other standard prices, terms and conditions of the Singtel Gigawave and Meg@POP service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for a premature termination charge (**PTC**) of 100% of the remaining contract term.

Notwithstanding the above, the customer may enjoy a PTC waiver for one (1) Gigawave and up to four (4) Meg@POP IPVPN EthernetLink circuits subscribed under the Customised Scheme, subject to the following conditions:

- a. In the event of a site closure where proof of site closure must be produced; and
- b. The terminated circuits must have completed at least twelve (12) months of the initial service contract term.

For details, refer to www.singtel.com.

Eligibility:

The Customised Scheme is available to all similarly situated customers who accept the terms and conditions of the Customised Scheme in its entirety.
