The promotional OTC and relocation charge are as follows:

- 1) Standard installation charge – waived
- 2) Express installation charge – \$2,000
- 3) Relocation charge – waived, subject to the relocation request being submitted together with a contract renewal or upgrade under the Promotion.

The promotional tariffs will be applicable to all new, renewed, upgraded and migrated Meg@POP circuits subscribed under the Promotion.

Key Terms and Conditions:

1. The contract term of the services subscribed under the Promotion is two (2), three (3), four (4) or five (5) years.
2. The service(s) offered under the Promotion are subject to resource availability.
3. In the event where the customer:
 - a) upgrades the bandwidth of any existing service(s) during its service contract term under the Promotion; and
 - b) requires a change of router to another provided by Singtel under the Promotion, the customer shall be charged an OTC of \$350 and the upgraded service shall be renewed under the Promotion with a new contract term of at least two (2) years.
4. The customer shall not resell the services subscribed under the Promotion.
5. The router(s) bundled under the Promotion is subject to availability of stock. If the router is unavailable, Singtel will replace with the router with another model of similar or higher value.
6. Contracts must be signed within one (1) month from the end of the promotion period if the customer obtained a quotation during the promotion period.
7. The service(s) initial RFS date must be within three (3) months from the promotion end date.
8. The Promotion does not include temporary schemes, installation surcharge and remote locations.
9. Promotional prices will revert to the prevailing list prices upon the expiry of the circuit contract term.

10. Singtel reserves the right to end the Promotion before 1 February 2026.
11. No other promotions or discounts will be applicable for the service(s) subscribed under this Promotion.
12. All other standard prices, terms and conditions of the Singtel Meg@POP service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates a circuit(s) subscribed under the Promotion during the contract term of the circuit(s), the customer shall be liable for a premature termination charge (**PTC**) of 60% of the remaining contract term.
