1. The GigawaveLite services will be charged at the prevailing list price and subject to the standard terms and conditions of the service.
2. The Customised Scheme will be charged on a monthly basis.
3. The minimum contract term for the Customised Scheme and each circuit subscribed under the Customised Scheme is one (1) year.

Terms and Conditions:

1. The services subscribed under the Customised Scheme are subject to resource availability.
2. The customer shall not resell the services subscribed under the Customised Scheme.
3. There shall be no auto-renewal for the Customised Scheme.
4. All other terms and conditions of the SingTel IPLC, DigiNet, MetroEthernet and GigawaveLite services shall apply.

Suspension and Termination Provisions:

In the event that the customer terminates a circuit subscribed under the Customised Scheme prior to the end of the contract term, the remaining circuits will revert to the list price.

Eligibility:

The Customised Scheme will be offered to any customer who satisfies the following criteria:

- subscribes to the services listed in paragraph 2.1, four (4) GigawaveLite circuits and 53 DigiNet circuits (excluding those listed in paragraph 2.1) in a single application and activates the services within three (3) months from the date the contract is signed. For the avoidance of doubt the four (4) GigawaveLite circuits and 53 DigiNet circuits may be of any bandwidth;
- currently has or is willing to commit to a minimum annual spend of \$5Mon SingTel services; and
- accepts the terms and conditions of the Customised Scheme in its entirety.
