

**Effective Date:** 8 February 2011

**Name of Service:** DigiNet, Meg@POP MetroEthernet, GigawaveLite and ISDN Services

**Description:** Waiver of relocation charge for migration of existing DigiNet, Meg@POP MetroEthernet, GigawaveLite and ISDN services from Telepark Datacentre to Kim Chuan Datacentre I

**Prices (including discounts):**

In view of the cessation of the co-location service at the Telepark Datacentre, the relocation charge(s) for the migration of any existing DigiNet, Meg@POP MetroEthernet, GigawaveLite and ISDN services from Telepark Datacentre will be waived.

**Key Terms and Conditions:**

All the terms and conditions of the SingTel DigiNet, Meg@POP, MetroEthernet, GigawaveLite and ISDN services shall apply.

**Suspension and Termination Provisions:**

*refer to [www.singtel.com](http://www.singtel.com) under "Business Customers"*

**Eligibility:**

The Customised Scheme is offered to any customer who satisfies the following criteria:

- is an existing co-location customer at Telepark and is subscribing to DigiNet, Meg@POP, MetroEthernet, GigawaveLite and ISDN services; and
- migrates any of the above services to the Kim Chuan Datacentre I by (with effect from 12 May 2011) 31 December 2011.
