The OTC and premature termination charges (**PTC**) for the services under the Customised Scheme will be waived in the following scenarios:

- Migration of Meg@POP IPVPN BizLink, IPVPN iLink, IPVPN SymLink and IPVPN VLink to Meg@POP IPVPN eLite service, provided the MRC and contract value of the IPVPN eLite service is not lower than the MRC and remaining contract value of the existing Meg@POP service; or
- Upgrade of bandwidth within the same Meg@POP service at the same location, provided the MRC and contract value of the upgraded service is not lower than the MRC and remaining contract value of the existing Meg@POP service.

Key Terms and Conditions:

1. The contract term of the Customised Scheme is two (2) years.
2. The minimum contract term of the services under the Customised Scheme is one (1) year.
3. Should the customer spend less than the minimum revenue commitment, the customer shall pay SingTel the difference between the actual spend and the minimum revenue commitment for that period.
4. The tariffs are only valid for new and renewed circuits contracted during the contract term of the Customised Scheme. Any circuits subscribed after the expiry of the contract term of the Customised Scheme will be charged at the prevailing list price of the service.
5. Should the customer choose to subscribe for circuit(s) under SingTel's prevailing promotional rates or list prices, the revenue for the circuit(s) shall be included in the minimum revenue commitment. For such circuits, the terms and conditions under the promotion or the standard terms and conditions (where applicable) shall apply.
6. All OTC incurred by the customer shall not be included within the revenue commitment requirement under the Customised Scheme.
7. All services subscribed under the Customised Scheme are subject to resource availability.
8. All other standard terms and conditions of SingTel Meg@POP service shall remain applicable.

Suspension and Termination Provisions:

Should the customer terminate a circuit subscribed under the Customised Scheme during the contract term of the circuit, the customer shall be liable for PTC of 50% of the remaining contract term.

For additional details, refer to www.singtel.com under "Business Customers".

Eligibility:

The Customised Scheme is offered to any similarly situated customers who meet the following criteria:

- Meet the minimum revenue commitment of \$1 million within the duration of the 2-year contract term, of which at least \$500,000 must be within the first year of the contract;
- has and maintains a Facilities-Based Operator (**FBO**) or Services-Based Operator (**SBO**) licence in Singapore for the duration of the contract term;

- is and remains a duly licensed Internet Service Provider in Singapore for the duration of the contract term;
- use the services subscribed under the Customised Scheme solely for the purpose of providing Internet access to its end-users;
- install the services on its own network, at its own Internet POP; and
- accepts the terms and conditions of the Customised Scheme in its entirety.
