

**Effective Date:** 12 July 2012

**Name of Service:** SingTel i-PhoneNet service

*For details, refer to [www.singtel.com](http://www.singtel.com).*

**Description:** Revision of i-PhoneNet service scheme

**Prices (including Discounts):**

| <b>Service Description</b>                  | <b>Monthly Recurring Charge<br/>(\$ per line)</b> | <b>One-Time Charge<br/>(\$ per line)</b> |
|---|---|--|
| Basic Plan with Yealink TP -20 IP phone     | \$30  | \$50                                     |
| Basic Plan with Cisco SPA 504G IP phone     | \$45  | \$50                                     |
| Executive Plan with Yealink TP-28 IP phone  | \$40  | \$50                                     |
| Executive Plan with Cisco SPA 508G IP phone | \$55  | \$50                                     |

The charges include the delivery, installation and maintenance of the IP phones throughout the contract term of the service. Any replacement of the IP phone and other support will be within the next business day.

Discounts of up to 10% may be applicable to customers based on factors such as contract value, total expenditure and/or customer tenure. No other discounts will be applicable.

**Key Terms and Conditions:**

1. The contract term for each i-PhoneNet line is 2 years.
2. Each Basic Plan or Executive Plan will be bundled with 1 IP phone.
3. All other standard prices, terms and conditions of the SingTel i-PhoneNet service shall remain applicable.

**Suspension and Termination Provision:**

In the event that the customer terminates the service before the end of the contract term, the customer will be liable for premature termination charges of 100% of the monthly recurring charge for the remaining contract term.

**Eligibility:**

Retail customers
