The one-time charge of the Meg@POP IPVPN EthernetLink with Path Diversity scheme (“**Scheme**”) will follow that of the standard Meg@POP IPVPN EthernetLink one-time charge.

Key Terms and Conditions:

1. The minimum contract term for the Scheme is 1 year.
2. The Scheme is subject to a site survey and availability of resources.
3. The Service Level Agreement (“**SLA**”) for Service Availability of the Scheme will follow that of the standard Service Availability of the Meg@POP IPVPN EthernetLink service. For the avoidance of doubt, the SLA for Service Provisioning will not be applicable for the Scheme.
4. All other prices, discounts, terms and conditions of the SingTel Meg@POP service, Meg@POP IPVPN EthernetLink service and Meg@POP EVPN EthernetLink service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the Scheme during the contract term, the customer shall be liable for a premature termination charge of 50% of the remaining contract term.

Eligibility:

All customers
