

Effective Date: 22 November 2013

Name of Service: SingTel Meg@POP service

For details, refer to www.singtel.com.

Description: Provisioning of Meg@POP IPVPN BizLink service

Prices (including discounts):

If the customer requires the Meg@POP IPVPN eLite service to be provisioned at locations where resources are unavailable, the Meg@POP IPVPN BizLink (10Mbps) service will be offered as an alternative service at the same price as the Meg@POP IPVPN eLite service (“**Price**”).

If that location does not have resources to support the Meg@POP IPVPN BizLink (10Mbps) service, then the Meg@POP IPVPN BizLink (4Mbps) service will be offered as an alternative service at the same Price.

The applicable Price for the Meg@POP IPVPN BizLink/eLite service under the Scheme may be the list price, a promotional price or a customised price (whichever is applicable). In the event that the list price of the Meg@POP IPVPN BizLink service is lower than the applicable Price under the Scheme, the customer will be informed to subscribe to the Meg@POP IPVPN BizLink service instead of the Meg@POP IPVPN eLite service.

All other standard prices, discount schemes, terms and conditions of Meg@POP service, Meg@POP IPVPN eLite service and Meg@POP IPVPN BizLink service shall remain applicable.
