Additional term discount of 5% off the MRC will be applicable for customers who sign a contract term of 2 years and above.

The waiver of OTC for service upgrade and early re-contract will apply.

Key Terms & Conditions

1. (With effect from 7 February 2013) The contract term of the Customised Package shall be 3 years and 7 months.
2. The minimum contract term of the services subscribed under the Customised Package is one (1) year.
3. The tariffs will apply to all new and renewed circuits contracted during the contract term of the Customised Package.
4. (With effect from 7 February 2013) The minimum revenue commitment for the Customised Package is \$6.3 million on the services under the Customised Package for the duration of the contract term of the Customised Package; of which at least \$1.2 million must be spent within the first seven (7) months of the contract term.

5. In the event that the customer opts to subscribe to the services under the Customised Package at promotional prices, this expenditure will be counted towards the revenue commitment.
6. (With effect from 7 February 2013) In the event that the customer does not meet the revenue commitment of \$6.3 million before the end of the contract term, the customer shall pay SingTel the shortfall in revenue commitment.
7. There will be no auto-renewal of the Customised Package.
8. All other standard terms and conditions of Meg@POP service, MetroEthernet service and GigawaveLite service shall remain applicable.

Suspension and Termination Provision:

In the event that the customer terminates a circuit subscribed under the Customised Package prior to the end of the contract term, the customer shall be liable for premature termination charges (PTC) as follows:

- Meg@POP service – 50% of the remaining contract term
- MetroEthernet service – 100% of the remaining contract term
- WebNet service – 20% of the remaining contract term

The waiver of PTC for service upgrade and early re-contract will apply.

Eligibility:

The Customised Package will be offered to any customer who meets the following criteria:

- Has and maintains a Facilities-Based Operator or Service-Based Operator licence in Singapore;
- Is duly licensed as an Internet Service Provider in Singapore;
- Uses the services subscribed under the Customised Package for the sole purpose of providing Internet access to end-users;
- Installs the services subscribed under the Customised Package on its own network; and
- Accepts the terms and conditions of the Customised Package in its entirety.
