

**Effective Date:** 21 July 2014

**Name of Service:** SingTel Dark Fibre service

*For details, refer to [www.singtel.com](http://www.singtel.com)*

**Description:** Customised Dark Fibre service scheme (**Customised Scheme**)

**Prices (including discounts):**

<b>Service Description</b>	<b>Monthly Recurring Charge (MRC)</b>
2 pairs of standard Dark Fibre	\$12,000 per pair

1. The tariffs are applicable to renewed Dark Fibre circuits subscribed under the Customised Scheme. The customer may renew additional Dark Fibre circuits under the Customised Scheme.
2. All tariffs exclude any co-location and any service level agreement.

**Key Terms and Conditions:**

1. The contract term for the Customised Scheme is 1 year.
2. The contract term for the services subscribed under the Customised Scheme is 1 year.
3. There shall be no auto-renewal of any service(s) subscribed under the Customised Scheme.
4. Any request for a relocation of the service will be subject to a relocation charge of \$10,000 per pair for each end on the condition that the customer produces satisfactory evidence that the relocation to a new site is due to the expiry of the customer's lease or tenancy agreement. Any other request for relocation shall be deemed to be a request for termination of service (i.e. premature termination) and a request for the supply of a new service at the requested location.
5. One end of the services subscribed under the Customised Scheme must be connected to the customer's POP located at a data centre.
6. In the event that one end of the Dark Fibre service subscribed under the Customised Scheme is to be connected to a cable station, the customer must be an owner of IRU capacity or be on a long term lease on any submarine cable system for the duration of the contract of any service(s) subscribed under the Customised Scheme.
7. The service(s) subscribed under the Customised Scheme are subject to resource availability.
8. The customer shall be responsible for obtaining all authorization(s) necessary for SingTel to access the customer's POP.

9. The customer shall not resell the service(s) subscribed under the Customised Scheme as a standalone product or allow the use of the service(s) for any other third-party users. The service(s) subscribed under the Customised Scheme is only for the customer's use as part of their own network to offer its own services.
10. All other prices, terms and conditions of the SingTel Dark Fibre service shall apply.

**Suspension and Termination Provisions:**

In the event the customer terminates any service(s) subscribed under the Customised Scheme, the customer shall be subject to a premature termination charge of 100% of the remaining contract value.

**Eligibility:**

The Customised Scheme will be offered to any customer who meets the following criteria:

1. The customer is a duly licensed Facilities Based Operator (**FBO**) for the duration of the contract term of the Customised Scheme;
2. Currently has or is willing to subscribe to at least 1 pair of Dark Fibre circuits with SingTel, and wishes to renew at least another 2 pairs of Dark Fibre circuits;
3. currently has or is willing to commit to a minimum annual spending of \$1.5 million on SingTel services; and
4. accepts the terms and conditions of the Customised Scheme in its entirety.
