

**Effective Date:** 25 June 2012

**Name of Service:** MetroEthernet Service. *For additional details, refer to [www.singtel.com](http://www.singtel.com)*

**Description:** Customised MetroEthernet Service Scheme (**Customised Scheme**)

**Prices (including discounts):**

| <b>Service</b>  | <b>Monthly Recurring Charge</b> | <b>One-Time Charge</b> |
|---|---------------------------------|------------------------|
| 1Gbps Point-to-Multipoint MetroEthernet (standard) head-end | Waived                          | Prevailing list price  |

1. The contract term for the Customised Scheme and the service(s) subscribed under the Customised Scheme (**Service**) is one (1) year.

**Terms and Conditions:**

1. There shall be no auto-renewal for the Customised Scheme.
2. The customer may request to subscribe to additional head-end circuits on the condition that each existing head-end circuit has at least 70% utilisation.
3. All other terms and conditions of the SingTel MetroEthernet service shall apply.

**Volume Commitment**

4. The customer must subscribe to at least twenty (20) MetroEthernet tail-end circuits with a total bandwidth of at least 500Mbps.
5. The tail-end circuits must be provisioned within six (6) months from the date the Customised Scheme commences.

**Suspension and Termination Provisions:**

1. No premature termination charge will apply in the event that the customer terminates a circuit subscribed under the Customised Scheme during the contract term.

**Eligibility:**

The Customised Scheme will be offered to any customer who meets the following criteria:

- currently has or is willing to subscribe to at least fifty (50) MetroEthernet tail-end circuits. For the avoidance of doubt, this is in addition to the Volume Commitment; and
- accepts the terms and conditions of the Customised Scheme in its entirety.
