

Frequently Asked Questions

Using CAST.SG

Q: What is CAST.SG?

A: With CAST.SG, you can find the best deals on apps you already love - from streaming to sports, lifestyle and more. You can also manage all your subscriptions in one place, and better yet - enjoy more savings when you bundle your subscriptions with us.

Q: How do I get started?

A: Easy! Add the app subscriptions you're interested into cart.

Pro tip: you save more when you add more! When you subscribe to 2 apps, you'll enjoy 5% OFF your total subscription. When you get 3 or more, you'll enjoy 10% OFF.

Then, create your CAST.SG account to add your payment method. Or if you already have an account, simply login.

After successful purchase, we'll send a confirmation SMS with instructions. Complete the activation process and start enjoying the services you've subscribed to.

Q: Who is eligible to subscribe and enjoy the deals on CAST.SG?

A: The best deals are available to ANYONE! You only need 3 things - a valid mobile number, email address, and a credit card.

After you've decided on your app subscriptions, you'll be prompted to create an account on CAST.SG at no cost. Or if you have an account, simply login. You can link your preferred credit card payment method for subscription purposes.

Q: How does the tiered discount work?

A: We're excited you asked! It's not rocket science.

You save more when you subscribe to multiple apps with CAST.SG.

If you have **1 paid subscription**, you pay the price stated.

If you have **2 paid subscriptions**, you'll enjoy 5% OFF the total bill.

If you have **3 or more subscriptions**, you'll enjoy 10% OFF the total bill.

The discounts will be deducted from the monthly bill at the time of your next intended payment based on the number of active subscriptions. That is discount OFF every month, perpetually!

The discounts OFF multiple subscriptions can be enjoyed at any point of time, according to the number of active eligible subscriptions you have at the time of your next intended payment or renewal date.

Q: What if I'm enjoying FREE months? Would the discount still apply?

A: The answer is a resounding YES! As long as you're actively subscribed within the pre-payment period.

Q: Are there any caveats to the tiered discounts that I should know? Is it eligible across all packs and content on CAST.SG?

A: The tiered discounts are applied to our monthly plans with a 30-day recurring payment.

There are a few exceptions that are not eligible:

1. Our curated fixed bundles. But don't worry! These have been specially curated to ensure you enjoy the maximum discount of 10% OFF.
2. Plans with one-time charges.
3. Plans with non-30 day recurring payment.

Q: How does the 'first month(s) free' work?

A: You can enjoy the service free for the first month. Please add your payment details when signing up — don't worry, you won't be charged during the free month.

To keep your subscription going, we'll charge your card 24 hours before the free month ends. If you don't want to continue, please cancel at least 24 hours before the free month ends to avoid being charged.

The free trial is only for first-time sign-ups to the pack.

Q: What happens if I have an existing subscription for a particular content subscription service? Am I able to port it over to CAST.SG?

A: Any new subscription with CAST.SG will be counted as a new subscription. So even if you're previously subscribed, you can still enjoy the best deals with us. To prevent double bill, you're required to cancel your subscription directly through the third party service.

Q: I used to be able to watch my CAST content on www.cast.sg, where do I go to watch my content on desktop with this change?

A: We're excited you asked! We have launched a new desktop viewing portal on <https://watchcast.singtel.com/>

Billing

Q: What will I see on my bill?

A: Your subscriptions paid with credit card will be reflected at the end of 30 days upon successful order receipt. 'SINGTEL CAST' will be shown in your transaction statement.

The discounts on your app from multiple subscriptions will also be reflected in the individual charge if you're eligible for our tiered discounts. For a detailed breakdown, you can go to My Account > Transaction Details.

Q: Am I charged a month in advance for my subscriptions?

A: All subscriptions on CAST.SG are on a pre-payment basis. This means you'll be charged 24 hours before your billing cycle ends for renewals, with recurring charges every 30 days (unless otherwise stated). If you're subscribed to apps or content with one-time charges, this does not apply to you.

Q: How do I change the payment method for my subscribed packs for future billings?

A: Simply change your credit card details in your payment method, and the next billing will be charged to your new credit card.
